- We pack each master order to be returned to the seller and distributed to the individual buyers.

HOW LONG DO WE HAVE TO SELL THE CANDY?

- Your group determines the length of the sale.
- We will give you a cutoff date, as to when we need the orders in by.

HOW MUCH PROFIT DO WE EARN?

- Profit is based on the dollar volume of your groups order... please contact Henry's Candy for more information.

WHEN IS PAYMENT DUE?

- Full payment is due when your order is picked up.
- To avoid paying sales tax, a completed sales tax exempt form (ST-119.1) must accompany payment.

WHAT ABOUT SALES TAX?

- If your group does not have a tax exempt number, you must collect 8.75% sales tax on the total amount of their order.
